F1 - UNIVERSAL FIRE CARRIER

The F1 U.F.C. is the complete solution for the most demanding conditions. The F1 is designed for Fire and EMS personnel as a 1 size fits all alleviating the need to have multiple sized vests on the truck when the situation warrants. The F1 comes standard with our NIJ certified Level II or IIIA soft armor panels inserted making this the perfect vest for dangerous domestic calls, and by adding 10"x12" hard armor you have the perfect Active Shooter Kit for any situation. The F1 design and colors were based on Firefighter needs and not LE so there is no confusion in the field.
